Dear Powerpuff Girls,

I like the Powerpuff Girls. My favorite is Buttercup 'cause she is the strongest! I'd like to write my own POWERPUFF GIRLS comics! I think you should have more comics with Sedusa in them 'cause she's my favorite villain. How did you come up with Sedusa? I also want to know why Ms. Bellum doesn't have a head! I really hope this e-mail gets in the comic book! I'm your number 1 fan.

Ms. Bellum has a head, but she's really, really camera shy.

CARA
VIA THE INTERNET

Dear DC Comics,

I just read at the end of the POWERPUFF GIRLS comic #17 that some girl said that Blossom was "a

fat old idiot!" She also wanted Buttercup to be the leader! Here is what she said: "Blossom is gonna have to take a break. She isn't doing it the right way. Remember in the first issue on page 21 when the villain got crushed, Blossom almost could have said the Bad Word!"

I don't mean to be rude, but I think she's just thinking about herself. I mean Blossom is my favorite Powerpuff Girl and some other people's favorite too! What if Blossom was real? She would feel awful if someone said that about her in a comic. Everybody would be mocking her forever! Her friends, the citizens of Townsville, Everyone!! Well, I gotta go. Love ya, Blossom. Love ya, Bubbles. And love ya, Buttercup!

Can't we all just get along? All of the Powerpuff Girls are great.
